**Statement of Vision and Interest**

This is an exciting period for PBC. To list just a few opportunities for growth and fresh thinking, I would cite the leadership of our new CEO, combined with PBC Solutions, and the relationship with the FNHA during a time of reconciliation. As we go forward, it's important to hold true to our values while providing great services and plans, to model our vision at every level, and to move towards year over year financial surpluses.
